JAS. M. No. 56 Main street, south side, bett and Third.

A tavorite scheme of the N w York Il a ald, which has alw ys sent - n graph by the Government We are said to look just under its nose to find a trick worth two of it. Instead of advising the wires, it should advise the newspapers of the country to organize a press company can be bought low and to build new linewhere they cannot buy the old ones, so as combine the newspaper business and elegraphy, which are already intimately pense with details and take the aggregate

taken, like advertisements, over the counters of the principal newspapers. Thus we special telegraphic bills having also opertors in our own offices, which would be, of itself, a great convenience. We could silv cheapen the price of dispatches at usually places of business resort, located

The notion of turning the wires over to ried out, effectually break down the prifault is that it is too expensive. Fill the telegraph offices of the country with partisans, and what show would be given those who did not happen to be of the existing no argument at all, for the messages we in envelopes and sealed. The teleaphie messages are very different.

ent for the successful and cheap operaon of the wires. It already deals largely in telegraphy; it is already a public cor ance; it is already looked to for news and information. We could conduct the least paving lines in the country so as to make them pay, could afford to charge less than now charged, and would make our own elegraph expenses into the bargain.

hrewd, business discernment, and, while elegraph, we are surprised that it did not see the practicability and value of the fore-

The Postoffice Swindle.

newspapers in this world, they would take -a malicious pleasure in the postal defiannual report. Those deficiencies amount o six millions of dollars, a sum which, to defray the entire expenses of Government. This, however, was under the honings, when a dollar was a dollar an rings" were unknown as a branch of the public service, Republicanism and De mocracy-which were originally intended o signify the same thing to all intents and poses-are thus proven to be as radiplication to the theory and practice of ower at Washington. Congress, with Its "ring:" and the subordinate officials emselves, who are said to pay small heed to Adam Smith's "first principle in the science of public trust," have pretty well plucked the ancient, time-honored, bald-headed Democratic Eagle of its golden plumage, and, though they are constantly triving to conceal the poor bird's nakedness with newly manufactured and abundant greenbacks, the people cannot tail to see, in epresentative at once of the nation's pluck and credit, a miserable, shivering, shrlveled, lean, and dishonored starveling, elad in paper-rags and pecking about for bits of men's cabins and widows' huts, while condholders and oligarchs fatten and thrive and mock and toast him as the plumpest and livest creature on the earth

there were no private soldiers present at partment, which is six millions out of this patriotic celebration in Chicago. The only persons admitted were officers, ant," the wires say. Perhaps the fact will labor so dear? Greenbacks. Why do have been taught that those who wear blue explain the riot. Yet it is strange, for we uniforms are always gentlemen and chriscut-throats and rufflans. How is this? Do them with the people's toil and tillage, taken about this thing, or what's the matter? and pays them out to New England and Six officers arrested for stealing wine! Oh! the Middle States, excluding the West and It will never do. We don't like to be cap-South, in the shape of untaxable securities tious, or to complain; but it is really too published by the Commercial is an evithat any of his contracts were loose as well | dece of rebellious tendencies so strong as refer to such a machine as a "ring" Per | ale ad. Let the guards be doubled and

the paess be muzzled. Ho, there, ho! lere a a jewel from the Chicago ommendation of Secretary Browning to increase all of the salaries of the Washington officials, from Vice President and cabinet officers down to department clerks, to corince they were established, says:

Republicans, but they have a secrel counsion: for while they are constantly talking of retrenchment, they are piling up billions side, between Fourth and Fifth. to make, it is not necessary to do the department the injustice of a wholesale at- of useless indebtedness.

tack or to refuse it credit where it deserves The Parisian papers are annising themselves by speculations as to the wealth of the late Baron James Rothschild, which is scarce; officials are dishonest; contracts they estimate variously at sums ranging at \$2, the best Shaker dannel shirts and draare slovenly. All this will account for a from £25,000,000 to £80,000,000 sterling fair margin which common sense and a All these speculations are probably al'ke liberal public opinion would fain allow. Incorrect; as, in the ease of a fortume so But what else? He has located Mr. Sioux and family, and is going to Washington to have the Fort Rice treaty of July last ratified by Congress. The General has the numest confi-dence in the success of the plan now lnangu-rated on the Sioux reservation. He says the eatest fear that fills the mind of an Indian starvation. Feed bim and he will be con-nted. He says he agrees with Wade in assertion that it is our best policy to ons is about 16,000, embracing a number of ibes. Everything has been done to provide r them and stepe taken to snpply them with

Disappeared from this country several days go. His whereabouts, business and moveago. His whereabouts, business and move-ments have aroused the enriosity of the quid-nances to a frenzied condition. Among the many speculations is that of the New York Sun: "Where has Caleb Cushing gone, and what has he gone for? Mr. Seward, ac-cording to some of the reporters, is mysteri-ous on the subject, and says that if the public will be patient their carlosity will be satisfied withhelm the composity of the

EL CAZADOR. THE RENO TRAGEDY.

From the Cincinnati Enquirer 15.]

We will suppose that in Mississippl, a few days since, a gang of mon repaired to one of her prominent jails, away from the county in which the prisoners had been indicted, and there, after committing great violence upon the Sherift, and other subordinates in the jail, bad executed certain prisoners within the latter's jurisdiction and control. What would have been thought of it? What would the radical journals in the North and West bave said concerning it? Are there any terms too severe and violent which they could have found to characterize it? Would they not have insisted that such an act sufficiently demonstrat-[From the Cincinnati Enquirer 15.]
